

Dear Teachers,

Greetings from Alliance Française de Delhi!

AFD takes immense pleasure to announce that EUNIC is celebrating the **European Day of Languages** on **26th September 2015**. The occasion offers a wide range of events for the foreign language teachers.

One of the objectives of this language day celebration is to bring all the foreign language teachers together under one roof and learning along with their exchange of ideas and experiences. We have organized a number of workshops and sessions for the teachers on 26.09.15.

The details are thus as follows:

Venue: Shiv Nagar School, Gurgaon

Time: 9:00 – 13:00

Workshops for the foreign language teachers: There will be 5 parallel sessions:

- Future Learning/Digital Learning
- English Vinglish: a celebration of English in India
- Use of creative writing in language teaching
- How to become a 2.0 language teacher, tips and bits'
- Demonstration social Network for language learning – a step towards independent learning

There will be a **common session** on the below listed topic as well:

- Use of technology in Foreign Language, student autonomy

Attached is the copy of the program and synopsis for all the workshops/sessions.

Registration:

- To be able to attend the session(s), you are required to pre-register for them.
- Only 25 teachers per session can be accommodated.
- Registration as per 1st come, 1st serve basis.
- Each teacher should register for at least two sessions.
- Attached is the registration form. Please fill the same and send it to jelafd@gmail.com latest by 18.09.15.
- Your participation will be confirmed latest by 21st September.

As mentioned above the workshop for the teachers will take place in the Shiv Nadar School, Gurgaon. However the afternoon event will take place in Cyber Hub, DLF, Gurgaon.

The event would include workshops for salsa for the kids, a variety of stalls and a wide range of cultural events like reading by authors, music, folk dance, opera etc. Attached is a copy of the flyer. No registration is required for the event taking place in DLF CyberHub.

All activities are free of charges

Looking forward to your enthusiastic participation.
