WHAT ARE THE DELF & DALF DIPLOMAS?

Recognized worldwide and valid for life, the DELF and DALF diplomas are designed for individuals who wish or need to receive official certification of their French language proficiency level. They are awarded by the French Ministry of Education.

WHY ARE THERE FOUR VERSIONS?

The candidates are users of a language as social agents who have tasks to perform in given circumstances, in a given environment and within a specific area of action, which may be personal, public, academic or professional. Therefore the diplomas have the same structure, but the themes of the 4 different versions are appropriate to the interests of each age and social group. As for DELF pro it is meant for professionals.

e.g. : for DELF junior the themes used are chosen to suit the interests of adolescents (family, holidays, music, school, cinema, etc.).
